2. Admin Login Page

The screenshot shows a web browser window with the address bar displaying "localhost:8085/FlyAway/Login.jsp". The page features a header with the "FlyAway Ticket Booking" logo and navigation links for "Home" and "Admin Login". The background is a dynamic image of four Red Bull Air Race planes performing a stunt, leaving thick white smoke trails against a clear blue sky. A central white login form is overlaid on the background. The form has a green header with a user icon and the text "Admin". It contains two input fields: "Enter User Name" and "Enter Password". Below the username field, it displays "Current Username : Admin". Below the password field, it displays "Current Password : 1234". A blue "Sign In" button is positioned at the bottom of the form.

3. Console output after login

The screenshot shows the Eclipse IDE interface with the 'Console' view open. The console displays the output of the Apache Tomcat server startup and the execution of the 'Login.java' file. The output includes various log messages from the Apache Catalina and Coyote components, as well as the execution of the 'Login.java' file, which shows the user 'You have LoggedIn'.

```

List of Flight

Flight ID	Flight Name	Origin	Destination	Date	Day	Ticket Price
1	AirIndia	India	USA	Friday	03 Sep 2021	50000
2	Etihad Airways	India	Dubai	Sunday	19 Sep 2021	84186
3	Etihad Airways	India	Dubai	Sunday	22 Sep 2021	50560

5. Change Password Page

The screenshot shows a web browser window with the title "Change Password" and the URL "localhost:8085/FlyAway/Changepassword.jsp". The page features a header with the "FlyAway Ticket Booking" logo and navigation links for "Home" and "Admin Login". The background is a blue sky with white clouds and several jets flying in formation, leaving smoke trails. A central white form box contains the title "CHANGE PASSWORD" in green, a lock icon, a text input field labeled "Enter New Password", and a blue "Change Password" button.

8.Available Flight Page

The screenshot shows a web browser window with the URL `localhost:8085/FlyAway/Searchresult.jsp`. The page header includes the logo "FlyAway Ticket Booking" and navigation links for "Home" and "Admin Login". The main content area is titled "Search Results" and displays the following information:

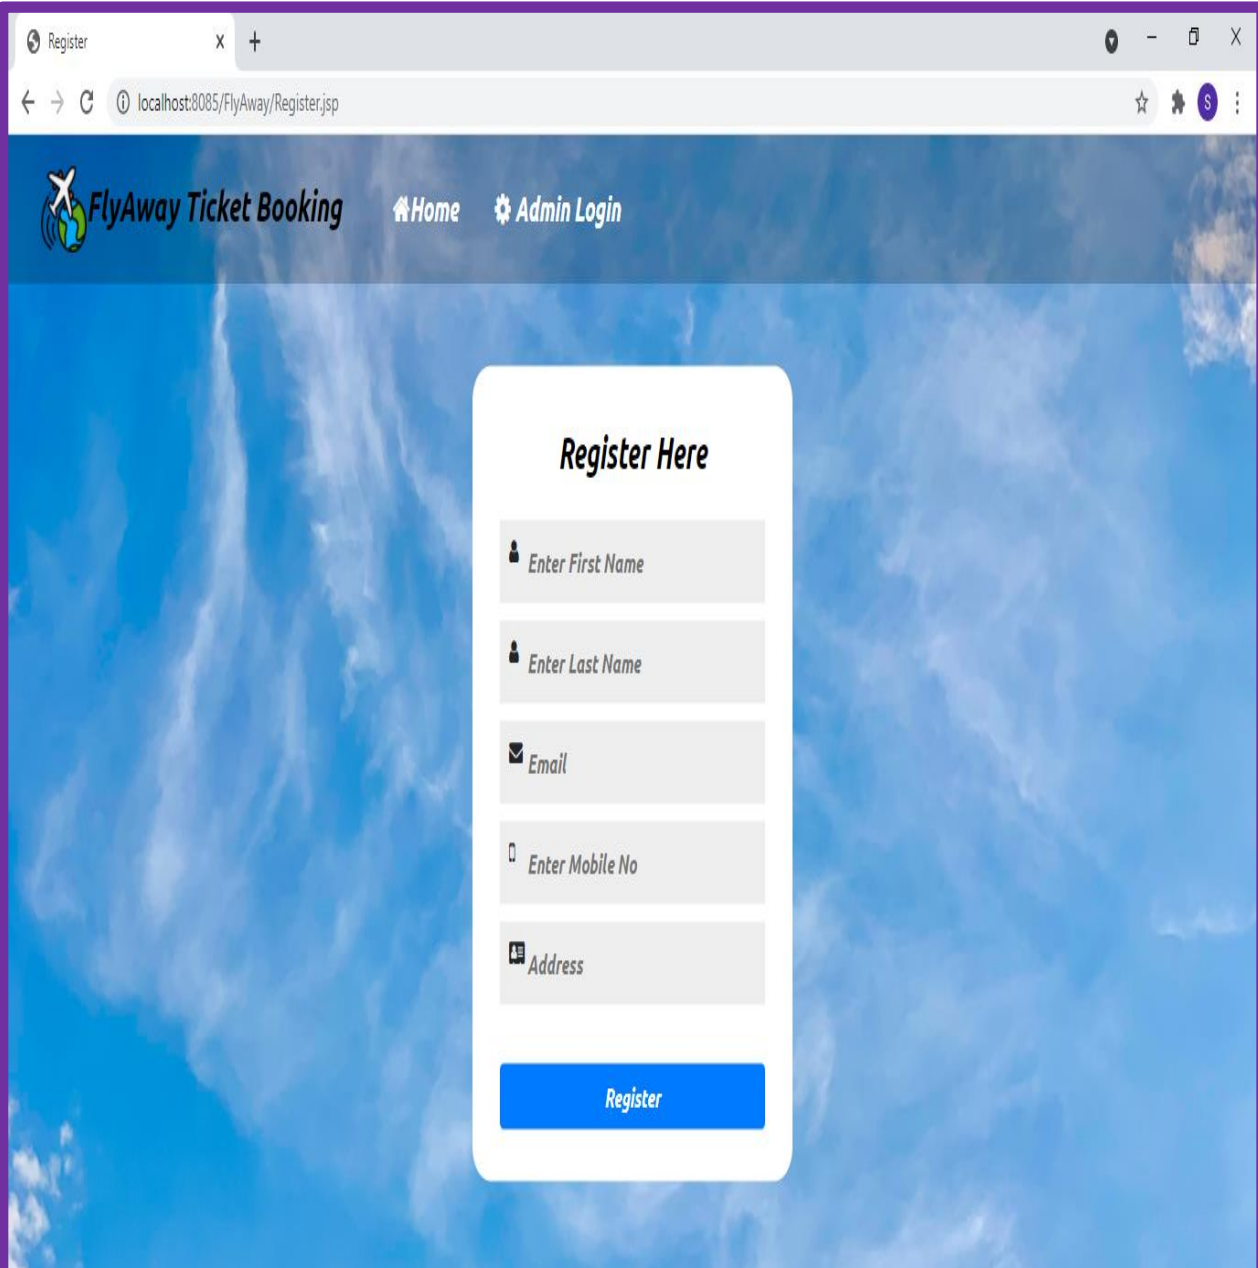

- Showing Available Flights from India to UK
- Date of travel : 2021-10-14 (THURSDAY)
- No of Passengers : 1

Below this information is a section titled "Book Flight" containing a table with the following data:

Flight Name	Origin	Destination	Date	Ticket Price	Choose
Special Airways	India	UK	2021-10-14	24798	Book Flight
AirIndia	India	Uk	2021-10-14	50000	Book Flight

The background of the page features a cloudy sky and a small airplane flying in the distance.

9.Registration Page for Passengers

The screenshot shows a web browser window with the title "Register" and the address bar displaying "localhost:8085/FlyAway/Register.jsp". The page features a header with the "FlyAway Ticket Booking" logo and navigation links for "Home" and "Admin Login". The main content area has a blue sky background with a white registration form in the center. The form is titled "Register Here" and contains five input fields: "Enter First Name", "Enter Last Name", "Email", "Enter Mobile No", and "Address". A blue "Register" button is located at the bottom of the form.
